drink and healthy snacks

£32.50 per child per day

We aim to give children the opportunity to play, take manageable risks and build confidence. Playworkers will support play by offering a range of resources as well as encouraging and creating a positive and stimulating atmosphere.

Children have access to different activities, including junk modelling, colouring, drawing, painting, reading, outdoor games and sports, which is set up in our indoor and outdoor areas.

We always have cereal, fruit and toast available for Breakfast Club and roll on weekly snack menu for After School Club alongside fresh fruit available. We encourage the children to help themselves to snack and get fully involved in preparing their own snack.

The Eastfield children are collected directly from their classrooms at the end of the school day by our staff members. Then, we all walk back to the Cabin at Westfield school.

Westfield children make their own way to the cabin at the end of their school day.

### New children joining after school club at Westfield School

A staff member will collect the child/ children directly from their classrooms at the first two days and afterward they make their own way to the cabin.

## Club 4 U

We have been with St Ives Community for 18 years. We are charitable organisation and run independently. Our aim is to provide and assist in the provision of childcare and educational services for the benefit of the St Ives community, in particular out of school care services in Eastfield school and Westfield school.

*For more information please visit our website*

<https://sites.google.com/club4u.org.uk/club4u/home>

## Activities

Our friendly staffs plan an activity/craft each day at the after school club as well as child-led activities i.e. playing musical statue or playing football at the school field.

*“Let’s come Play, Learn, Celebrate and Achieve together!”*
